15 IN CONCLUSION

Nothing in the rules of the Club shall conflict with or supersede those of the Thanet Indoor Bowls Club Limited. Any matter not covered by the foregoing rules shall be dealt with initially by the Club Bowls Committee.

It should be appreciated that no rules covering a game has yet reached perfection as to cope with every situation. The rules covering bowls is no exception. Unusual incidents, not definitely provided for in the laws or the Club Rules, frequently occur.

It is well, therefore, to remember that the rules have been framed in the belief that true sportsmanship will prevail and that in the absence of any express rule, common sense will find a way to find a happy solution to a knotty problem.
